

## PE DEPARTMENT EXPECTATIONS

- PE staff and pupils are expected to try their very best in lessons setting high standards so all can enjoy their lessons and make progress.
- Every pupil and teacher must always bring their PE kit to every PE practical lesson so that they can take full advantage of the fun activities on offer.
- It is important that ALL pupils are included in PE lessons so if you forget your kit you will be expected to wear the spare kit which you will exchange your tie with your name in at the PE office.
- Any special arrangements can be made for individual pupils to ensure they have a positive experience in school sport.
- Remember to always be prepared for lessons (GRIT) particular if the weather has an influence. In winter wear football boots on the grass and bring warm appropriate clothing. In summer have hats, fluids, sun cream and always bring an inhaler if asthmatic.
- If you are injured then you need to bring in a signed note from a parent or guardian and still bring your PE kit and be a part of the lessons, leading others/assisting the teacher.
- If you have a broken limb or bad back and have a signed note to excuse you from a parent or guardian you still need to bring kit with you but may not be expected to change or participate if it irritates the injury.
- If you do not participate in lessons with kit as a consequence you will receive a lunch time detention where you will be given written work to complete with another class.
- Continued failure or refusal to participate in lessons will lead to an after school 40 minute detention and contact with parents (text message home/email/phone call/letter).
- Continued non-involvement will result in isolation and parents invited to meeting in school.

REMEMBER TWO THINGS.....

**BRING YOUR KIT AND TRY YOUR BEST!**
