THE PRESCOT SCHOOL ACCESSIBILITY PLAN

Policy Approved: September 2017
Implementation Date: September 2017
Review Date: September 2018

INTRODUCTION

The Prescott School are aware that we have a general duty under the Equality Act 2010 to:

- Eliminate discrimination, harassment, victimisation and any other conduct that is prohibited or under this Act
- Advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it
- Foster good relations between persons who share a protected characteristic and persons who do not share it

With this in mind, this Accessibility Plan has been drawn up in the period September 2017 to August 2020.

We are committed to providing a fully accessible environment which values and includes all students, parents and visitors regardless of their age, education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to challenging negative attitudes about disability and accessibility and to developing a culture of awareness, tolerance and inclusion.

The Accessibility Plan will contain relevant actions to:

- Improved awareness of Equality and Inclusion
- Improve access to the physical environment of the school, adding specialist facilities as necessary. This covers improvements to the physical environment of the school and physical aids to access education.
- Increase access to the curriculum for students with a disability, expanding the curriculum as necessary to ensure that students with a disability are as equally prepared for life as are the able bodied students. This covers teaching and learning and the wider curriculum of the school such as participation in after-school clubs, leisure and cultural activities or school visits. It also covers the provision of specialist aids and equipment, which may assist these students in accessing the curriculum
- Improve the delivery of written information to students, staff, parents and visitors with disabilities
