Parent Guide: Lexia

Literacy Support. This will help you support your child if they do Lexia.

What is Lexia?

- This scheme aims to close gaps in pupils' literacy skills.
- This is a computer based scheme that can be accessed in school and at home.
- This allows students' reading to be tracked and monitored.
- It works on weak phonic skills taking pupils back to basics and progresses to support pupils' spelling, reading and grammar skills.

What is Lexia?

- Pupils are tested on their Literacy skills in a fun and engaging way. This allows them to feel confident and relaxed whilst they are learning.
- Your child's teacher will have access to data and their progress each week. This means we can praise your child efficiently when they are doing well and put interventions in place where necessary for support.

What are the benefits of Lexia?

- ✓ Age appropriate content and graphics.
- ✓ Closes the reading age gap.
- ✓ Motivates the reluctant learner.
- ✓ Students learn independently.
- ✓ Works at the pace of the individual.
- ✓ Accessible from home.
- ✓ Promotes parental involvement.
- ✓ Instant feedback is provided on progress.
- ✓ Certificates celebrate success.

How do I access Lexia?

- Students can login to Lexia at home using the following link:

<https://www.lexiapowerup.com/>

All pupils login details have been given to pupils in school on a laminated card by Ms Phillips.

Pupils were also encouraged to write their login details in their pupil planner.

How do I access Lexia?

- Initially, when you login at home for the first time you may be prompted to enter your child's teacher's email address.
- Your child has this information.
- This information can also be found on Class Charts.

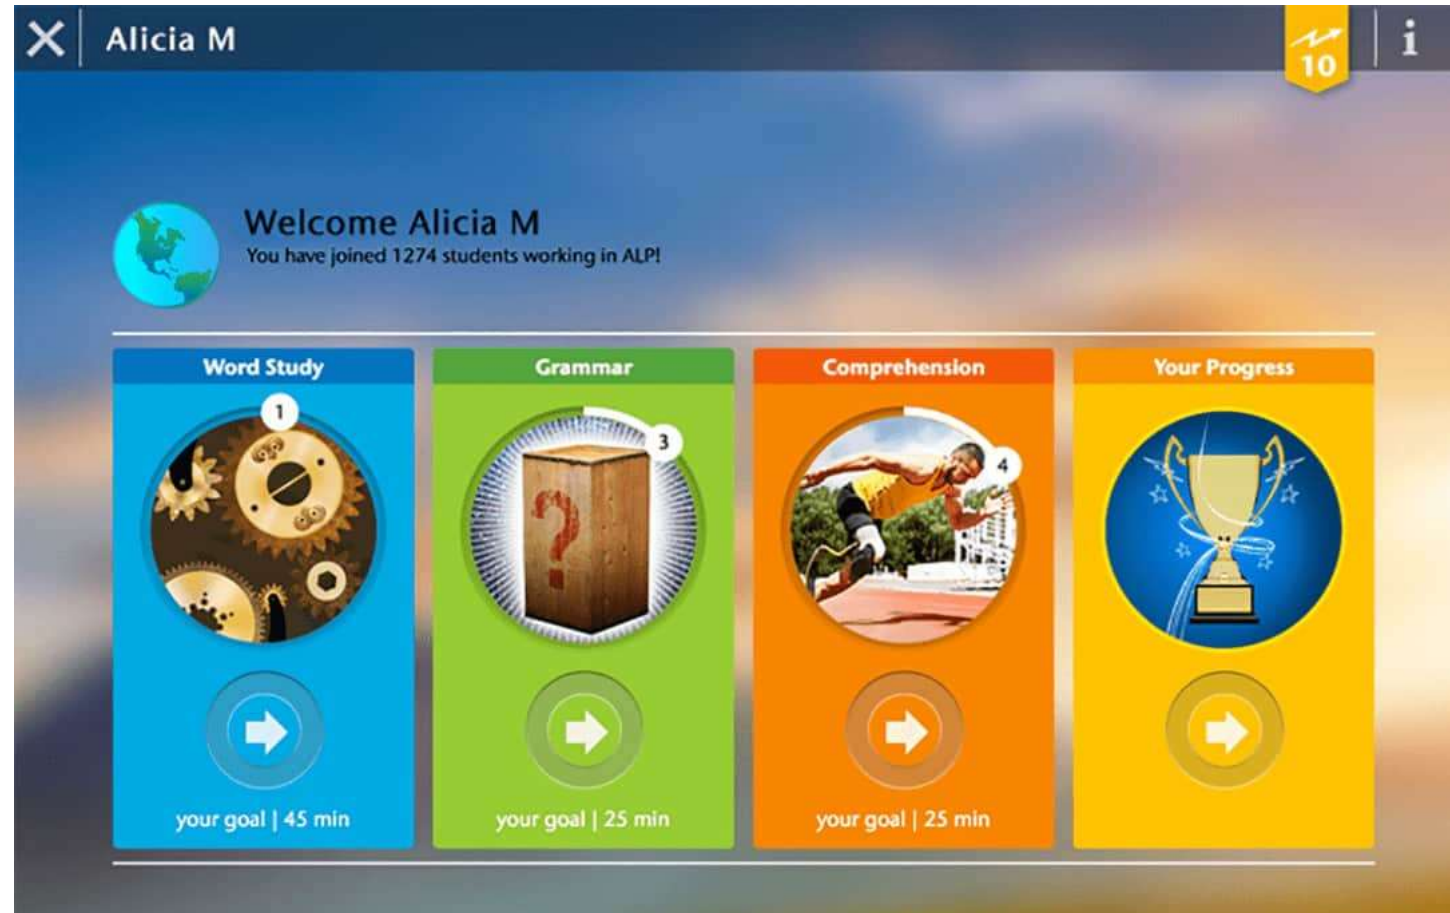

How do I access Lexia?

- Your child will then be prompted to enter their username and password in order to login.
- This information has been provided on a laminated card by Ms Phillips.
- Use the login to access Lexia.

Lexia:

Once logged in your child will complete a variety of Literacy tasks focused around reading, comprehension, grammar and vocabulary.

You and your child can monitor their progress regularly.
