Mrs A L Kennedy BA, PGCE, NPQH
Head of School

10th June 2021

Dear Parents/Carers,

As your new Head of School, it gives me great pleasure to write to you and introduce myself.

I have been a teacher and leader for eighteen years working in secondary schools in Merseyside and have a wide range of experience in leading school improvement. Change of any kind may bring feelings of apprehension. Rest assured that any future developments will always have the best interests of our students at their core and will be communicated to you in advance.

At the heart of my educational philosophy lies students' holistic development. When they leave school, students should be equipped with the knowledge, qualifications, skills and personal attributes they need to lead happy, healthy lives where they contribute positively to our modern and ever-changing world.

Until the end of this summer term, I am in the fortunate position of being able to work alongside Mrs Kennedy who has worked tirelessly at The Prescott School for many years. Many of you know Mrs Kennedy personally and her knowledge of the school family and the wider community is a great advantage for getting to know you all.

It is a privilege to have been asked to lead The Prescott School in the next phase of its growth. I am excited for the future and look forward to working with you, the staff and our community to provide the very best educational provision for our students.

Yours sincerely,

Mrs G Cousineau
Head of School
