Mrs A L Kennedy BA, PGCE, NPQH
Head of School

Dear Parents/Carers,

I hope that you are all well and coping with the difficult situation we find ourselves in, we are updating our website over the next few days to make accessing information and support even easier, we will still use this and our twitter account for communication as well as our normal phone number during the day and we can be reached via email at info@prescotschool.org.uk. Thank you to all of you who have contacted us and for the comments you have made – we are all learning together what makes a good home learning experience and as you know it is not easy to do. We will be putting some more things on the website to look at, explore and experience which may help break up yours and your child's day.

FREE SCHOOL MEALS

Yesterday we retweeted advice about hoax communications from social media about Free School Meals and being careful of sharing personal details with anyone. Very soon, if your child is registered for free meals you will be contacted by **'Wonde'** asking you what your preferred choice of supermarket is for your voucher, **this is not a hoax** but the system set up by Knowsley to make sure you get the vouchers you are entitled to.

Please respond to this so that you get your vouchers. If school does not have your up to date information please contact us immediately.

Please keep following the governments advice about social distancing and staying indoors so that we can help shorten the time that we remain in lockdown, best wishes to you and your family,

Yours sincerely,

Mrs A L Kennedy
Head of School
