

## **Statement from The Prescott School: 18<sup>th</sup> March 2020**

You may well have seen or heard the updated government advice in relation to school closures from next week.

Whilst we digest the implications of this, we must stress that school is open as planned tomorrow (Thursday 19<sup>th</sup> March) and Friday.

We will issue further information and advice on how this new guidance will impact our school community by the end of the school day on Thursday.

Thank you for your continued support.
