

The Prescott School

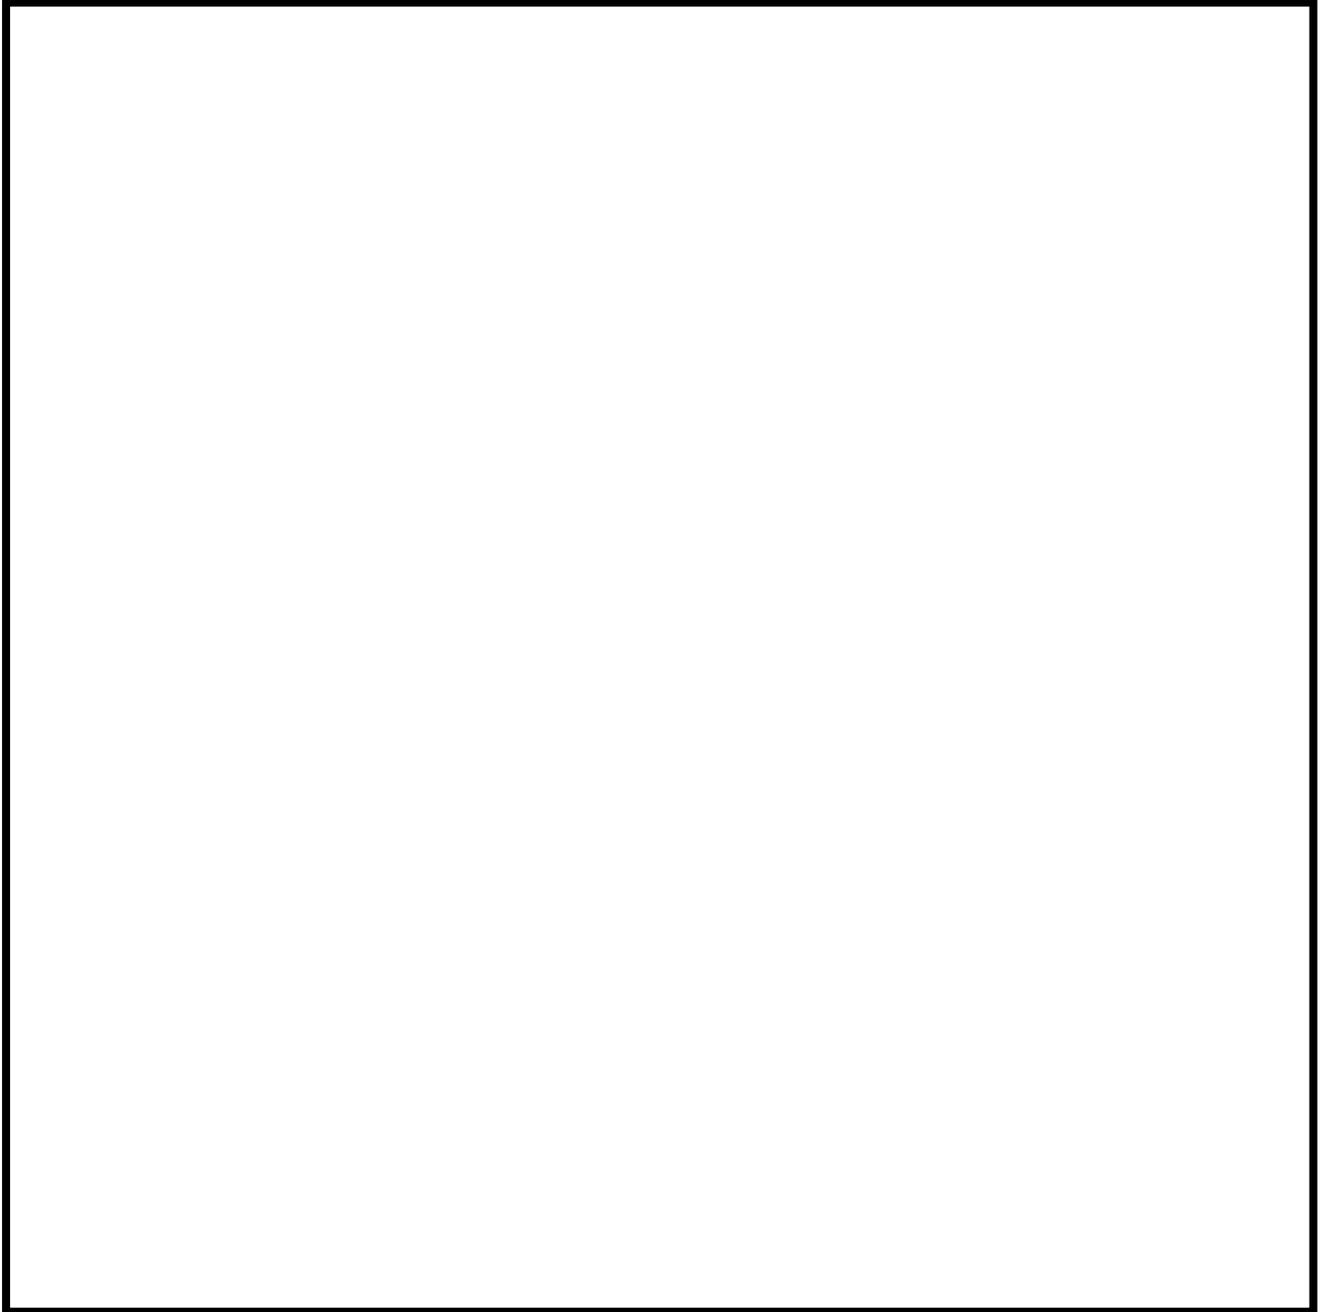

Transition 2020

NAME: _____

We are looking forward to meeting you all in September. We realise that this year has been a little different and we are unable to run all of our normal activities to help make the move to secondary school as smooth as it will be. Don't worry we are in touch with your primary school to help us find out any information we need, and we have produced this booklet to help you think about the move to "big school". If you have any questions you can always email us at info@prescotschool.org.uk don't forget to include your name and primary school.

All About Me!

Draw a picture of yourself and then take a photo of it and email it to us

Moving up!

How you feel about starting at The Prescott School

What I'm looking forward to

What I am anxious about (there may not be anything!)

My Strengths

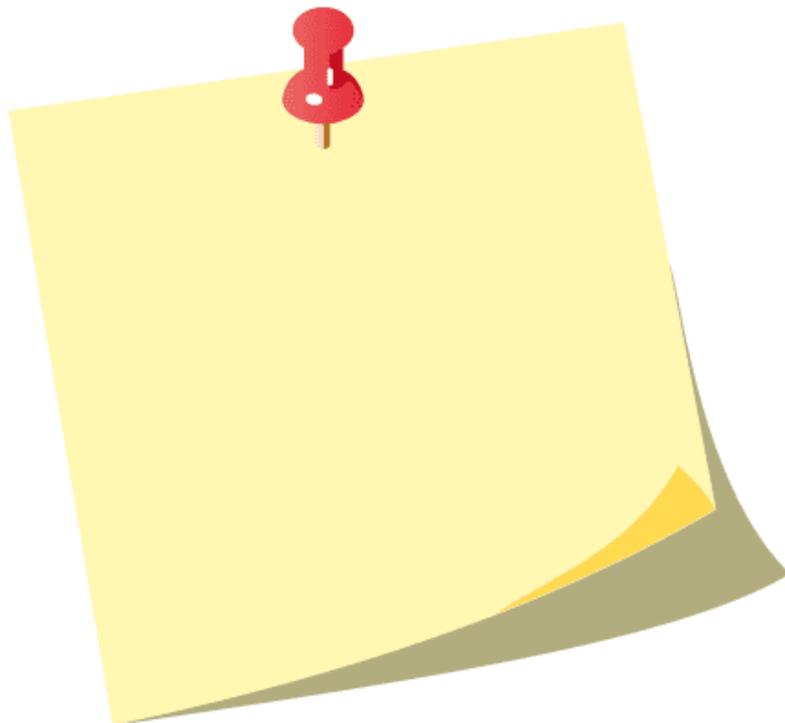

We all have strengths, tell us about yours and how they help you in your life, there are lots of different strengths you can have, from being a good friend, to being good at a sport, to always trying your best, list as many of yours as you can.

What would like to be better at?

In these unusual times we need to inject a little magic in to our lives, if you found a magic lamp and a Genie granted you 3 wishes, what would they be?

A Day in my Life

Life has been a little different lately, you may have been home-schooled, or you may still have gone to school if your parents are keyworkers, but even then school life would seem a little different without all of your classmates. Tell us about a typical day in your life, you may want to write about a day before lockdown started, or a day since lockdown.

The graphic is a large white circle centered on a blue rectangular background. The circle is divided into four equal quadrants by a vertical line and a horizontal line. Each quadrant contains a label in blue text:

- Top-left quadrant: What and when I eat
- Top-right quadrant: My School (or homeschool)
- Bottom-left quadrant: What I do in my free time
- Bottom-right quadrant: My home

I'm a Superhero!

Imagine you are a Superhero, I want you to write a story about how you saved the day. To help you do this think about.

Your Superhero Name:

Do you have a costume, if so what does it look like or draw a picture?

What is your superpower?

Where does your Superhero live?

Does your superhero have a sidekick or friend who helps, who are they?

How do you save the city/world/your school/friends?

Use the space below to draw a comic strip to tell your Superhero story.

My Hopes for the Future

We don't always know what the future will be, but we can have hopes and dreams and knowing them can help us to work towards making them happen, use this page to think about what your hopes and dreams are.

School

Friends and Family

When I'm an Adult

All About Me!

Your new teachers and especially your form teacher want to know all about you, use this page to let us know, you can take a photo and email it to us at info@prescotschool.org.uk .

What I like to be called

I like learning about..

I don't enjoy learning about....

I like learning about..

I don't enjoy learning about....

What I'm looking forward to

What I am nervous about...

Hobbies and interests

What I like to be called

Favourite food

What football team I support

My favourite song to sing

My dream holiday destination

My best friend's name

My pets and their names?

We also know you may have lots of questions to ask us, remember, you can always contact us, there is lots of information on the transition section of our website, and we will be posting more throughout this half term.
