Dear Parent/Carer,

Mrs A L Kennedy BA, PGCE, NPQH
Head of School

I hope this letter finds you and your families well.

Unfortunately there have been two road traffic accidents on Knowsley Park Lane this week and as you know the road that the school is on is narrow and access to the site is currently not allowed by cars. Some parents are using our school entrance to turn their cars around which is dangerous to our children who are arriving and leaving school.

When parking on Knowsley Park Lane, the width of the road stops drivers from being able to see children and causes issues with traffic flow for both parents and residents.

Please can I ask you again to consider dropping off and collecting your child a short distance away from school and letting your child walk, so that you do not use Knowsley Park Lane at the front of school.

I am sure like us you will want to do all you can to keep our children safe and traffic flowing for parents and residents. I would also ask you to be considerate when parking in the area that you do not block our neighbours driveways.

We have spoken to our students about road safety and our safer schools officer is taking assembly for Year 7 on Monday to reinforce our message.

Thank you for your support.

Yours sincerely,

Mrs A L Kennedy
Head of School
